The terms of the purchase call for the payment of \$100,000 in cash and

over \$600,000 in first mortgage bonds, \$250,000 in preferred stock and \$250,000 in common stock, semi-annually. The new plant will be completed in 1959 at \$750,000, and the firm of O'Grady & McCann, Inc., of Montreal, is to float the bonds in the old country.

The Cardiff coal mines have a capacity of 1,000 tons per day. It is the only mine in this western country which has the facilities for loading into nine cars at the one time. There are three shafts, only one of

which is in use. The Cardiff mines are owned by the Canadian Northern Railway company. In future new engines will be equipped with these arresters. It is the intention of the firm to place plans for the engines to be used on the Great Waterways road that they be provided with spark extinguishers.

The new company is expected to very largely increase the output of the Cardiff mines. The present plant at the mines is valued at \$125,000.

GENERAL MANAGER CHAMBERLIN SPEAKS IN PESSIMISTIC VEIN

Mr. J. Chamberlain, general manager of the C. & W., was called upon by the vice-president of the C. P. R. and W. L. Langue, assistant freight agent at Chicago, who said it was very difficult in getting all cases we require for the work on broken cars.

Referring to a report in one of the Edmonton papers of statements made by the city men are responsible for the destruction of the company during his recent visit to the city, Mr. Chamberlain said that such charges were misrepresented.

The speaker then turned to High Way.

"Mr. Smithers did not raise his objection to the man running good."

sons and future profits. Not only did he repeat the statements which have been made frequently of late by the company's officials regarding unemployment in the West, but Chamberlain, who also spoke in no very hopeful strain of the work on this side of the mountains.

"The Work West Delayed."

"The work in the cities," said Mr. Chamberlain, "is not progressing as satisfactorily as we would like. Rates

merely pointed out the result which must follow inevitably from existing conditions in the labor market. Capital is most timid and you can easily see that it is not coming from the country. We are dependent upon British capital and without it cannot build the line. Yet you have the money in the cities and the rates that will in all probability lower the rates. There is also in Ottawa at the present time a commission which is

But, and the most formidable difficulty is that of the scarcity of labour. We have nearly as many men as we need, and the men who may long with the work. Almost every train from the west brings in men who, after a short stay, have decided to come into the city to "blow" the money they have earned or to get another job. With work as plentiful as it is

in the cities the men will not go out those conditions are altered,"

Provincial Championship Stays in
Southern City—Lloydminster Team
2 to 1 Final.

The final game for the championship of the Province amongst amateur football clubs was held yesterday afternoon at the Banquet Dinner. The competing clubs were the Calgary Callies, the holders of the title, and Lloydminster. Taking into consideration the exhibition that Lloydminster put up against the Edmonton Callies, and the fact that the Calgary team was not considered as strong as usual this year, it was thought that Lloydminster's chances for winning were good, but they failed to pull it off, their play being inferior to what was expected of them. They had quite as much of the game as the Calgary team but were beaten by the score of 2 to 1.

As an exhibition of football the game was about average, but the exhibition that has been put up by several of the Edmonton teams in the local league, and two or three of the latter could give a good account of themselves had a game be arranged between them and the winners of Saturday's game.

Some delay was caused at the commencement of the game owing to the ball provided not satisfying the referee, but the game was finally started. The teams faced each other in the following order:

Calgary:
Goal, Lawson.
Boyd, Whitford, Cooper, Binnett, Kerwell.
O. Williams.
L. Williams, Thompson, Deacon, Barrow, Pettie, S. Strang, Johnson, Broadwood, Grindley, W. Strang.

From the kickoff Lloydminster attacked but the play was returned, and Calgary took the offensive. Whitford was fouled, however, and the free kick took the play back to the Calgary stronghold, where it remained for a few minutes. The defence cleared and Deacon and Barrow travelled down and centred. A bad miss by Goal J. Williams through but he missed his shot with an open goal in front of him. From the goal kick Davis passed out to his right wing, but the ball found under Tyler's foot and play was suspended until a new one was arrived.

The seeming Calgary attack, but the resulting shot went wide. From the goal kick they returned to the attack and scored just after the whistle went for offside. Calgary were having slightly the better of the game at this stage and they returned again to the attack. Law was cleared and Cooper and Binnett travelled down the wing in quick style, but after beating the backs Cooper overran the ball when about ten yards from goal, and Grindley recovered himself and cleared. A foul against Deacon let Lloydminster through again and Grindley kicked out to stop the rush.

Lloydminster's left wing again attacked and was followed immediately after by a smart run by their right, Collier getting in a nice centre, but they were ruled offside. The Callies then took a long ball in the game and passed for it, while Davis having to save twice from long shots. A run by Williams and Thompson on the left was stopped by

NEW WESTMINSTER
TRIMS NATIONALS

Challengers Beaten 7-3—12,000 People
Witnessed Game—Play Again
Saturday Next.

Vancouver, Sept. 17.—There never was a chance for the challenging Nationals at New Westminster today, and in their initial fight today for the world's lacrosse championship they succumbed easily to the faster New Westminster Minis Cup defenders, the score at the time standing even to three for the Western team.

The champions of the N.E.T. failed to show speed and although the New Westminster team was not by any means up to the form displayed during the season against the Vancouverites, they had no trouble at all in disposing of the French-Canadians. The Westerners were fouled all year, was expected to do great things for the challenge, but his lack of health held him down to a finish and he only got into the nets on one solitary occasion. The defence was not so good, but their combination was a mine quarry. They tried hard to get close to the goal, but the heavy defence of offside and goaltender was too much for them. Little more than a few penalties were handed out.

Twelve thousand persons witnessed the match which was declared to be slower than either of the two between the Montreal and the cup holders, a few months ago, and far behind the quality of the league games between the Vancouverites and the New Westminster. Another game, and the last one, will be played at New Westminster next Saturday.

From the face of the New Westminster team had the play. The Nationals started off but they soon lost and after some fairly good work by both teams Cliff Spring netted the first tally for the Minis Cup holders. Deacon of the Nationals drew a penalty. Gordon Spring and Turnbull of Westminster also went to the fence, it being the first time this season for Spring.

New Westminster opened the second quarter with a hard shot and Len Turnbull scored in less than two minutes. Gordon Spring then scored in ten minutes, putting the tally three to nil.

In the third quarter the Nationals handed out a surprise by showing a respite of form. Len Turnbull scored twice but the easterners came back by doing the same. Lalonde and Gauthier showed the trick. Gauthier's goal was scored in eleven seconds on a rush from the face off. This made the score 5 to 2.

The Nationals looked good at the opening of the last quarter, but the New Westminster team found their feet again and out in two, making it seven to three. That it remained till the end of the game. The teams were as follows:

Nationals:
L. Hagen, goal.
Catherine, point.
Eaton, cover point.
Deacon, first defence.
Clement, second defence.
Deacon, centre.
Dillon, third home.
Gauthier, second home.
Lalonde, first home.
Lemonnier, outside home.
Dumont, inside home.
Gray, goal.

A large crowd gathered at the depot to welcome the winners although it was late, and a procession was formed behind by the band, going through the main streets of the city. The victory caused great pleasure owing to the action of Regina, in going to Toronto to compete for the People's shield before the final for Saskatchewan had been played.

CALGARY SOME SHORT TOWN.
Winning, Sept. 17.—Calgary is certainly making a name for itself on the sporting map. By the winning of the People's shield the Hudson football team took the trophy back to the city for the fourth time. And is to think of there is anything else in Calgary known as the Calgadians which is said to be even better than the trophy which they brought back the championship of Canada. Now the admirers of the two clubs are taking of making their favorites the old country to compete against the strong aggregation across the water. It only took two weeks to raise \$2,000 in Calgary to send the Hudsonians east and it is just possible that the eastern may materialize. Then again Calgarians come into the sporting limelight with the announcement that Tommy Burns, ex-champion of the world, will be in the city in which the Jeffries-Johnson fight will be held. Burns will lecture in the city.
